

JHAN JHAN A. ANDIG

City of San Pedro, Laguna, Philippines

(+63) 939 286 9261 | andigjhanjhan7@gmail.com

PROFESSIONAL SUMMARY

Creative professional with over 9 years of experience in graphic layout design across various platforms. I excel at arranging elements in a way that's not only visually appealing but also enhances readability, thanks to my sharp eye for typography and a meticulous approach to detail. I'm skilled at juggling multiple projects at once without sacrificing quality, and I thrive in team settings to ensure projects are delivered on time and within budget.

TECHNICAL SKILLS

Design Software: Adobe Illustrator, Adobe Photoshop, Sketch Up, After Effects, Premiere Pro.

Layout Design: Magazine, Book, Brochure, Newsletter, and Large Format Layouts/Tarpaulin.

Core Competencies: Typography (Font Selection, Typesetting), Image Editing, Illustration, Vector Graphics.

Soft Skills: Communication, Organization, Planning, Problem-solving.

PROFESSIONAL EXPERIENCE

TRI-MOON GRAPHIC ARTS CO. | San Pedro, Laguna

Layout Artist | 2022 – Present

- Design and create layouts for tarpaulins, brochures, newsletters, and other print materials.
- Conceptualize and develop layouts, carefully selecting colors, images, and typefaces.
- Handle multiple projects at once, meeting tight deadlines while upholding high-quality standards.
- Work closely with editorial and design teams to ensure a unified visual and content presentation.
- Perform final proofing and prepress checks to guarantee error-free publications.
- Present design concepts to clients and integrate their feedback into the final designs.

SUNCOLOR GRAPHICS AND PRINTING SERVICES | Las Piñas

Packaging / Layout Artist | 2021 – 2022

- Crafted imaginative and innovative packaging concepts that perfectly matched client needs and brand identity.
- Designed eye-catching packaging artwork, labels, and materials, keeping both aesthetics and functionality in mind.
- Developed prototypes and mock-ups to bring packaging designs to life and fine-tune them.
- Conducted research to choose the right packaging materials that met product specifications and sustainability goals.
- Collaborated with production teams to manage printing and manufacturing processes, ensuring top-notch quality and consistency.
- Made sure all packaging designs complied with industry regulations and standards regarding safety, labeling, and environmental impact.
